

PHISHLINE ADDENDUM TO OPTIV MSS TERMS

When an Optiv Client orders Managed Security Services (“MSS”) that include PhishLine in the Order, the Client agrees to be bound by the terms of this PhishLine Addendum to Optiv MSS Terms.

1. **Purpose.** This Addendum governs Client’s use of and access to the PhishLine hardware, software and/or platform when such is purchased directly from Optiv through Optiv’s MSS.
2. **EULA as to PhishLine.** Client agrees to the terms and conditions applicable to the products it will use or otherwise enjoy located at <https://www.phishline.com/EULA/> (“EULA”).
3. **EULA Terms as to Optiv.** As between Client and Optiv, Client hereby agrees that Optiv will be deemed a third party beneficiary of the EULA terms pertaining to PhishLine. Notwithstanding the language contained herein, Optiv will not be responsible for obligations under the EULA that are beyond Optiv’s reasonable control, including, among otherthings, PhishLine’s responsibilities as a the original equipment and software manufacturer or cloud environment provider.
